## **PRACTICEWORKS Systems LLC Presents MEDiVision CiC Patient Education Software**

ATLANTA, GA, August 27 — PracticeWorks Systems LLC offers orthodontists new patient education software – MEDiVision system. Integrated with KODAK ORTHOTRAC Practice Management Software, MEDiVision system helps orthodontists communicate some of the more complex conditions, procedures and treatments to their patients, helping gain treatment acceptance.

Features of the new patient education software include:

- Animations in 3D
- Patient information sheets
- Over 100 “Before & After” photos
- Orthodontic animations

“The new MEDiVision system helps easily explain conditions and solutions,” comments JamieLynne Weiss, Marketing Manager – Orthodontic Division, PracticeWorks. “Trying to explain how a condition can be corrected is often difficult and time consuming. MEDiVision system offers tools to simplify the process.”

### **About PracticeWorks, Inc.**

PracticeWorks, Inc. is the exclusive maker of KODAK Dental Systems. KODAK Dental Digital Imaging and Practice Management Systems help dental professionals streamline workflow and enhance patient care by enabling them to capture, share, and use images and information easily and effectively.

PracticeWorks is part of Carestream Health, Inc.’s dental systems group. In 2007, Onex Corp. purchased Eastman Kodak Company’s Health Group and renamed it Carestream Health. With revenues of more than \$2.5 billion, Carestream Health is a leading provider of dental and medical imaging systems and IT solutions.

For more information, contact your PracticeWorks representative, call 1-800-944-6365 or visit [www.kodakdental.com](http://www.kodakdental.com).

The Kodak trademark and trade dress are used under license from Kodak.
